The "Edinboro Review."

The Edinboro Review (Scotland) says: "Landseer is the greatest painter of animals that ever existed; while in addition to the exquisite handling of his pictures, and through knowledge of the anatomy of the animal he paints, he throws into compositions of this kind a degree of sentiment and poetry of which little is found even in the best works of Reubens. The proprietors of The Christian at Work, T. De Witt Talmage editor, have had produced a careful copy of Landseer's 'Twins,' one of his finest paintings of sheep and Scotch Shepherd dogs. The chromo is a very large one, and is worthy of a place in any parlor in the land. Full particulars can be had by addressing the publishers, 102 Chambers street, N. Y. Agents are wanted everywhere."

Trochsville Items.

Mud, beautiful mud, is plenty. J. J. Stechter, Esq., will shortly remove his store out of Behler's into Beer's building.

William Behler, Esq., of Hazardsville, has taken charge of Seagrave's hotel, known as Trochsville Hotel, and will undoubtedly do a flourishing business.

Frolics and one-horse lotteries are about played out.

The sportsman from Allentown, who shot Jones' chickens without shot, left a lump of tobacco at the Carbon P. O., for "Wild Bill of the Woods," for which W. B. returns his sincere thanks.

We have a fiddler here who can take anything down in the county, on fiddle, reels and grape-vine twists. If you don't believe it, drive along here some fine afternoon or evening, stop in at Behler's, and see how it is yourself.

Music by the Choir followed, whereupon Geography was taken up. Mr. J. Yellis, of Weaverville, read a report on this subject. The discussion of it was opened by Mr. Gordon. He spoke of the folly of many adventurers who peril their lives in pursuit of geographical information almost unattainable; for example, the discovery of the open Polar Sea, or the exploration of the interior of Africa. Further interesting and instructive remarks were made by Messrs. J. I. Cawley, of Allentown, R. A. Lytle, of Catasque, S. Carey of East Allentown, J. O. Karsten, of Allentown, A. P. The Teachers' range of knowledge should be more extensive, embracing every department and occupation in life. The discussion was continued by Messrs. Gordon and J. O. Knauss. Music by the Choir.

Mr. R. A. Lytle then read a report on School Government. This was an able production, embodying many valuable suggestions for teachers. The discussion was opened by Mr. Bernhard, of Allentown, and was followed by Messrs. F. K. Berndt, Gordon, R. A. Lytle, A. F. Knauss, and J. O. Knauss.

Special Notices.

Pain-Killer.

1840. 1874.

Time Tests the Merits of all Things.

THIRTY YEARS is certainly long enough time to prove the efficacy of any medicine, and that the Pain-Killer is deserving of all its proprietors claim for it, is amply proved by the unparalleled popularity it has attained. It is a sure and effective remedy. It is sold in almost every country in the world, and it needs only to be known to be prized, and its reputation as a Medicine of Great Virtue, is fully and permanently established. It is the great Family Medicine of the age. Taken internally, it cures Dysentery, Cholera, Diarrhoea, Cramp and Pain in the Stomach, Bowel Complaint, Pains in the Colon, Liver Complaint, Dyspepsia, or Indigestion, Sudden Colds, Sore Throat and Coughs. Taken Externally, it cures Bruises, Bolls, Felons, Cuts, Burns, Scalds, Old Sores and Sprains, Swellings of the Joints, Toothache, Pain in the Face, Neuralgia and Rheumatism, Chapped Hands, Frost Bitten Feet, &c.

Pain is supposed to be the lot of us poor mortals, as inevitable as death, and liable at any time to come upon us. Therefore, it is important that remedial agents should be at hand to be used on emergency, when we are made to feel the excruciating agony of pain, or the depressing influence of disease. Such a remedial exists in Perry Davis' "Pain-Killer," the fame of which has extended over all the earth. Amid the eternal ices of the Polar regions, or beneath the intolerable and burning suns of the tropics its virtues are known and appreciated. And by its suffering humanity has found relief from many of its ills. The effect of the Pain-Killer upon the patient, when taken internally in cases of Cough, Cold, Bowel Complaint, Cholera, Dysentery, and other affections of the system, has been truly wonderful and has won for it a name among medical preparations that can never be forgotten. Its success in removing pain, as an external remedy, in case of Burns, Bruises, Sores and Sprains, Cuts, Stings of Insects, &c., and other causes of suffering has secured for it the most prominent position among the medicines of the day. Beware of counterfeits and worthless imitations. Call for Perry Davis' Vegetable Pain-Killer, and take no other.
